PROFESSIONAL SUMMARY

Full Stack Developer with 3 years of experience building scalable, responsive web applications using Angular, React.js, Next.js, TypeScript, Node.js and NestJS. Skilled in designing RESTful APIs, working with PostgreSQL, and integrating third-party services such as Stripe, Razorpay and Twilio. Comfortable owning features end to end, from requirements and development through testing, optimization and production support, in Agile, cross-functional teams.

TECHNICAL SKILLS

Frontend	Angular, React.js, Next.js, JavaScript, TypeScript, HTML5, CSS3, Responsive Design, Reusable UI Components
Backend	Node.js, NestJS, RESTful APIs, API Integration, JWT Authentication, RBAC, Cron Jobs / Scheduled Tasks
Database	MySQL, MongoDB, PostgreSQL
Integrations	Stripe, Razorpay, Twilio, ElevenLabs
Also Familiar	Python, FastAPI, AI Automation / n8n basics
Tools	Git, GitLab, Azure, Postman, VS Code, Cursor, GitHub Copilot, Antigravity

PROFESSIONAL EXPERIENCE

Software Engineer – Woyce Technologies and Services Pvt Ltd July 2023 – July 2026

Woyce AI *Python, FastAPI, PostgreSQL, Stripe, Razorpay*

- Developed payment system integrations using Stripe and Razorpay.
- Improved and enhanced user interfaces to deliver a better user experience.
- Built backend functionality and contributed to testing, debugging and overall system enhancements.

QuickHub AI (CRM) *React.js, NestJS, PostgreSQL*

- Developed and implemented CRM features on the frontend using React.js.
- Built backend functionality with NestJS and managed data operations in PostgreSQL.
- Contributed to testing, debugging and overall system enhancements.

VetWise *React.js, NestJS, Twilio, Cron Jobs*

- Developed tenant-based (multi-tenant) web application features and user interfaces.
- Integrated Twilio for calling functionality and implemented appointment booking features.
- Used Cron Jobs for scheduled tasks; contributed to testing, debugging and system enhancements.

Hospital Management System *React.js, NestJS, Twilio, Cron Jobs*

- Developed a hospital management website using React.js.
- Implemented OPD management, ward management and booking workflows, including backend integration.
- Contributed to testing, debugging and overall system enhancements.

HWS (Health Wealth Safe) *Angular 15, Node.js, Twilio*

- Implemented new features and maintained Angular modules for the HWS project.
- Integrated third-party services and worked with scheduled tasks using Cron Jobs.
- Contributed to testing, debugging and overall system enhancements.

EDUCATION

Master of Computer Application (MCA) 2021 – 2022

RK University, School of Engineering, Rajkot | CGPA: 8.0

Bachelor of Computer Application (BCA) 2019 – 2021

Atmiya University, Rajkot | CGPA: 7.0

LANGUAGES

English, Hindi, Gujarati
